## Protect what's important to you

Choose the mortgage product that's right for you

Buying a property is the largest and most significant transaction you will make in your life. So it is important to take out mortgage insurance that meets **your specific needs**, for yours and your family's financial security.

### **A mortgage insurance made for you**

Most people who purchase mortgage insurance do so with their lending institution. But they might be better off comparing. iA Financial Group provides mortgage protection that's just right for your situation. You can get all the coverage you need in one place, and save a lot in the process!

## **Your custom mortgage package**

### **Complete** coverage

#### **For peace of mind:**

- Mortgage insurance lets you cover your mortgage amount as well as any other loans (car loan, line of credit, etc.).
- You can also add complementary coverage for income replacement in the event of disability or critical illness. There are a number of other options available to round out your package.

### **Flexible** coverage

#### **For the freedom to choose based on your changing needs:**

- Coverage can be for the term of your mortgage or for life.
- You can renew your coverage for a few years if your needs change.
- You can convert your mortgage insurance into permanent life insurance without having to submit new evidence of good health.

### **Affordable** coverage

#### **To save and carry out life projects that are important to you:**

- There is one fixed, guaranteed premium for the entire term.
- You can choose decreasing coverage to save even more.
